## Customer Reviews

I enjoyed this book. However, I do feel like, even if Hailey was having trouble in school, she wouldn't have acted this way. Hailey wouldn't have spread rumors that way. But still, I loved it! I read it within an hour ;)

Haley has never given the BSC problems before, but now she is always lying her way through everything. Unfortunately, Claudia is caught in the middle because Haley accuses Claudia of being a liar and a snitch. A lot of the kids that the BSC babysits for are starting to doubt if they can trust the girls, and things get real messy. This story is very interesting to read because it shows how manipulative kids are at this age, and how if they truly believe something is true-they can convince

others of this as well. The story has a very psychological theme to it, as you will see when you read it. Also, I really enjoyed the side story with Claudia and her boyfriend as well. Also, this book is sold on ebay for a lot cheaper for anyone who is interested.

This book is about Haley a little liar and a problem starter to the BSC. She creates lies and tells them to other charges. She lies to Claudia multiple times and the BSC tries to fix them twice! Claudia is nervous that she may have to drop out of the club! Read to find out if she leaves the club or if Haley succeeds in her plot.

There are three story lines in this great BSC book. First Haley is telling tons of lies to get out of doing her homework. She blames Claudia for everything. She tells the other kids that the BSC is a network of spies who like to tattle on them. The BSC needs to find a way to get the kids to believe them. Second, Kristy is coaching a girls basketball team. Haley is on the team and she has to learn to show good sportsmanship. Third, Claudia is a little unsure about her relationship with Josh. She likes him, sure but she doesn't feel any romantic feelings toward him. She even lies to him. They decided they're much better off as friends than boyfriend and girlfriend. This was a great book. It teaches you a really valuable lesson. This wasn't the best, but it was still a great book.

Haley is usually no trouble for the BSC. But Claudia catches her lying and Haley gets grounded. Haley is so mad she decides to spread mean rumors against the BSC. She tells them that the BSC can't be trusted and then to make it worse, she tells MORE lies to back it up! Claudia and the BSC have to find a way to tell the kids the truth. But who will they believe? The BSC or Haley? This book is good. I recommend you read it. You learn how telling lies just piles up and you get stuck in your lies. Haley illustrates it really well. Claudia does solve the problem but how? You'll have to read it!!!!

The Story Of This book happens in Halley Broddock's house. When Claudia baby-sits for Haley, Haley starts lying about her homework. Can Claudia make Haley stop making lies about her homework?

I liked this book a lot. I think that it was very funny and the book taught you a good lesson. I think Haley was a good character to use in this situation because she isn't shown much. It would be hard to see Charlotte Johansson doing this.

This book was pretty good. I thought Hally's lies were funny the way they were so ridiculous. No one could really believe them. Once she admitted why she had been lying you felt bad.
