Customer Reviews

This is a great book on Manipulation. All of the things, tips and persuasion secrets used by the world's most powerful men to manipulate, persuade & influence people that I need to know about Manipulation are already included and well written inside. Mark Eriksson has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the Dirty Tricks You Can Use Today to Start Elevating Your Reputation, Status, & Power Instantly & How to Utilize "Invisible" Techniques of Manipulation to Make People Do What You Want Without Them EVER Noticing! Very informative, useful and well explained. This book is really a great resource for those who want to learn more about Manipulation.

Inside this book what we will be discussing not just the central must-knows for what makes all control work, yet additionally the procedures you can utilize immediately to begin seeing immense changes in how the world reacts to you, and get what you need. By understanding these social flows at play, the basic systems profound underneath all our human social cooperation in this book, you will increase selective access to a shrouded control infrequently used by numerous however few on the planet. With this newly discovered power you will access a significantly more noteworthy order of your own existence and your own particular nearness on the planet, and in addition how to viably travel through it. Begin Reading Today!

This is a very light read and poorly written. The title engendered anticipation of a serious work of high value but the resulting product lacks depth and offers little more than psychology 101.

The book is informative and presents a decent beginning point on

enhancing our collaboration with others. Your influence is concern. If you candidly being controlled. My recommendation is to peruse this book and you will find it is your brain or another person that is playing tricks on you. If someone asks me how useful this book is? I highly recommend it. It is a decent place to begin to comprehend the abilities of manipulation. I proudly recommend this book to them.

This is an extremely fascinating and valuable book. These days a great deal of controllers around us, and we truly should be watchful when we meet new individuals, or go into another relationship. This book has given me an essential comprehension of how to know it and how to safeguard it when somebody tries to induce me or impact me. This book has opened my eyes on the colossal impact of control. This is a book that everybody should read!

It made me truly stop and reconsider if I ought to converse with one specific person in my life whom I assume to be controlling me in his favor. I simply discovered I have candidly manipulative ways myself as well and I arrange to transform them when I can. Through this newfound power, you will gain access to a much greater command of your own reality and your own presence in the world, as well as how to effectively move through it.

This is a very interesting and useful book. Nowadays a lot of manipulators around us, and we really need to be careful when we meet new people, or enter into a new relationship. This book has given me a basic understanding of how to know it and how to defend it when someone tries to persuade me or influence me. This book has opened my eyes on the great effect of manipulation. This is a book that everyone should read!

This book is truly awesome and it has lots of information. I am glad since I read a book that showed me how to protect myself from another person's manipulation. Nowadays a ton of manipulators around us, and we truly should be watchful when we meet new persons, or go into another relationship. This book has opened my eyes on the great impact of manipulation. Overall, it's a decent book to raise a reader's awareness about the subject.
