Sharon Naylor is the author of more than 20 books on wedding topics and has been featured as a wedding expert on Lifetime, ABC News, and Inside Edition. She recently launched the Bridal Book Club and is a special wedding contributor to Bed, Bath and Beyond's bridal registry website.

I got this as a friend of a friends book and now at least 5 other brides I know have shared it, and my little sister was the most recent to use this great book. Sometimes all the activity around getting married can leave you speechless. This book will restart your memory and remind you how to thank all the persons who detailed your wedding, and help with ideas for the simple thank you for your gift.

I especially liked the help on how to thank someone for a gift off your registry in a really unique and special way.

Helpful

I recently got married and dreaded the whole idea of writing "thank you" notes since I wasn't very good at them before. However, with the help of this book, I became inspired and wrote some truly heart-felt notes that I never imagined I could. I even received compliments from my guests. The book contained many samples for various types of situations (gifts, cash, family and even guests that send gifts but didn't attend). It's definitely worth the money!

This book did not offer nearly enough real-life examples for thank you letters. Do not waste your money.
