# Workbook For Pilbeam's Mechanical Ventilation: Physiological And Clinical Applications, 6e

## Synopsis

Corresponding to the chapters in Pilbeam's Mechanical Ventilation, 6th Edition, this workbook helps readers focus their study on the most important information and prepare for the NBRC certification exam. A wide range of exercises includes crossword puzzles, critical thinking questions, NBRC-style multiple-choice questions, case studies, waveform analysis, ventilation data analysis, and fill-in-the-blank and short-answer activities. Close correlation with the Pilbeam's main text supports learning from the textbook. Wide variety of learning exercises including crossword puzzles, NBRC-style questions, case study exercises, waveform analysis, ventilation data analyses, and numerous question formats helps readers assess their knowledge and practice areas of weakness. Critical Thinking questions ask readers to solve problems relating to real-life scenarios that may be encountered in practice. NEW! Answer key now appears at the end of the workbook. NEW! Graphic exercises appendix from the text is now located in the workbook for convenient access.

Paperback: 240 pages

Publisher: Mosby; 6 edition (October 30, 2015)

Language: English

ISBN-10: 0323320988

ISBN-13: 978-0323320986

Product Dimensions: 0.5 x 8.5 x 11 inches

Shipping Weight: 15.8 ounces (View shipping rates and policies)

Average Customer Review: 3.3 out of 5 stars 9 customer reviews

Best Sellers Rank: #127,317 in Books (See Top 100 in Books) #35 in [Books > Textbooks > Medicine & Health Sciences > Allied Health Services > Respiratory Therapy](#) #43 in [Books > Medical Books > Allied Health Professions > Respiratory Therapy](#)

## Customer Reviews

So far, the workbook has been helpful. My one complaint is for the space available for writing. There are tiny charts and lines that require a lot more space. Otherwise, no problems.

The description clearly states that this version has an answer key in the back! LIES!!!! Purchased and returned. I need the answer key for studying purposes!

no answer key as promised in back of book!

there was no answer key in the back though. i should have bought it from the publisher. its is cheaper and you can log on to the elsevier website and get the answer key. very unhappy!!

The workbook is helpful, however there is no answer key in the book. Elsevier's website says there is, but nope.

Great book! Much cheaper than if I would have bought it at my school's bookstore! It was brand new! Not a mark in the book! Definitely a great buy and easy returning options!

Exactly what it says.

The workbook is in great shape.
