Emotional Abuse Breakthrough: How To Speak Up, Set Boundaries, And Break The Cycle Of Manipulation And Control With Your Abusive Partner

Synopsis

Is your self-worth being stripped away by an abusive partner who treats you like a household appliance? Are you being bullied and manipulated and made to feel it's your fault? The Truth is...Nothing is more DAMAGING than living with an emotional abuser whose controlling and crazy-making behaviors are causing you to feel afraid, depressed and alone. Physical abuse leaves visible scars, but emotional abuse wounds you to the core. You know you're in pain, and you feel isolated, unloved, and even frightened. But your abuser has an uncanny way of turning the tables on you and denying the abuse. You just wish your partner would finally wake up and treat you with the love, kindness and respect you long for. But no matter what you do, nothing changes.

Victims often fear if they stand up for themselves, their partner will leave or make things worse. But once you draw a line in the sand and demand a more mature relationship, your abuser will have to make a choice -- either change the behaviors or risk losing you. Even if your partner refuses to change, you can feel more confident and in control until you decide your next steps.

In this book, you will learn:

- How to restore your shattered identity and sense of self
- How to cope with hopelessness and despair in long-term abuse
- How to stick to your non-negotiable boundaries, even if it means walking out the door
- The critical, iron-clad deal breakers that should cause you to pack your bags
- How to successfully navigate inner conflict and turmoil about leaving
- How to effectively confront your abuser about their unacceptable behaviors
- What it really takes for an abuser to make lasting change
- How to manage the resistant abuser if you choose to stay
- How to protect your children from an emotional abuser
- The 11-step preparation plan before you walk out the door
- The self-esteem boosting blueprint for a stronger new you
- The power of personal responsibility and a growth mindset
- How to establish the new baseline for a healthy, intimate relationship to use for life
- The next steps to create an abuse-free future

Emotional Abuse Breakthrough gives you easy-to-follow steps on how to rebuild your self-esteem so you can stand up for yourself and set clear and firm boundaries with your abuser. You will learn to identify and explain the covert tactics used by emotional abusers to help you quickly recognize when it's happening.

Customer Reviews

I have recently discovered what "narcissistic personality disorder" is. I have lived with one for 18 years, not knowing what was wrong with me. It in fact was us, as a couple me an empath and he apparently a narcissist. Wow! Sure thing explains a lot of things!

This book was spot on and easy to read. I will be reading more of Barrie Davenport's books and taking her course. If you are reading these reviews... you are ready for this book!

The exact book that I needed at the right time. Barrie this is one of the best self help books that I've read. I highly recommend this book to every single human being. Even if you aren't in a chaotic relationship you can learn a great deal about healthy relationships. Packed with insight and information that I wish I had years ago - I could not put it down. Thank you.

wish I'd read this book before my first marriage. Even years after this guy being out of my life, I still feel the anger and frustration of falling for his emotionally abusive behaviors. It is so validating to see that none of it was my fault. These manipulators know how to twist things around and make you feel so confused and guilty. If you are stuck in a relationship with a narcissist who controls you and has to have everything his way, this book will show you a light at the end of the tunnel. There is a way to break the cycle and build your self-esteem. I really like how the author helps you figure out whether or not to leave the relationship and to know if there's hope for your abuser to change. Everyone should read this because we all know someone going through this kind of relationship.

great book would highly recommend

Emotional Abuse Breakthrough is the first of three books I am reading to overcome my fears and move on with my life. The book was easy to read and helped me recognize abuse and give me strategies to feel confident and put my life back in order. I look forward to reading the books on the signs of emotional abuse and scripts. I need those too.

This is such an important book for everyone -- not just those in an emotionally abusive relationship right now. Emotional abuse is so common in relationships, so we all know someone who might be dealing with it. This book explains exactly what emotional abuse is, why the abuser engages in the abuse, and why a victim might be initially attracted to an abuser. More importantly, it gives very specific, practical actions you can take to manage the abuse, become more confident in the relationship, and make decisions about what to do. If you have any question about whether or not you're involved in an emotionally abusive relationship, you need to read this book.

again... not what I expected. No real strategies provided. This read like I was sitting having coffee with someone.
