## Customer Reviews

"From well-known spots that tourists and newcomers shouldn't miss to hideaways that only the local folk know, this book is the perfect companion to the land where the wind and the water set the pace of life."--"Fifty Plus" (Richmond, VA) --This text refers to an out of print or unavailable edition of this title.

For more than twenty years, the Insiders' Guide® series has remained the essential source for in-depth travel and relocation information. Each guide is written by locals and true insiders and offers a personal, practical perspective that readers everywhere have come to know and love. Wide beaches, whispering sea oats, and dramatic dunes are hallmarks of North Carolina's Outer Banks. The area offers both peaceful retreat and dynamic adventure. This authoritative guide shows you how to explore the area's endless beaches, wildlife refuges, historical landmarks, vibrant cultural scene, and island communities. Inside you'll find: Details on how to live and thrive in the area, from the best shopping to the lowdown on real estate and vacation

rentalsThe inside scoop on popular attractions, including Cape Hatteras National Seashore, Currituck National Wildlife Refuge, and the Wright Brothers National Memorial Comprehensive listings of restaurants, accommodations and recreational activitiesSections dedicated to children and retirementWhether you're planning a vacation, already living in the area, or looking to relocate, Insiders' Guide to North Carolina's Outer Banks gives you everything you need to know.

This was ok and probaly great if you are a first time visitor but i was looking for more off the beaten path stuff and did not find myself using this book at all while on my trip.

I live there and there is alot of wrong information in book. Book would be fine for first time tourist.

It is a good book. We liked it. It has good maps of the area but is missing a good large scale map.

Just visited The Outer Banks. Book has good maps but many of the reference phone numbers are wrong.

I had been to the outer banks once about 10 years ago and decided to go again last year. I bought the insiders guide and read through it before I went down there, that is a must, it gives excellent info on places and steared me from many touristy places, read the reviews in it short reviews of a place typically meant touristy, longer thoughtful reviews meant a place worth going to. It was typically right on with prices. i honestly wouldn't go there without it and am bringing it again in 4 weeks when i am going back. Love the outerbanks and this perfect companion to it. Remember read through it before you go though.

This book is fantastic! It gives a very detailed description about everything you'd need for a wonderful trip to the Outer Banks.I especially like the way it's laid out, with each section going "north to south". For example, the restaurants section starts at the north end of the islands and works its way down to the very south. Same with accommodations, etc.It also definitely gives you a "feel" for the place - telling the type of vibe each community has and what the general demographics are.Highly recommended!

Perfect book to plan our Outer Banks Vacation

Very informative. Helped quite a bit on planning our vacation.
