Raven's Mark: (The Raven Queen's Harem Part One)

Synopsis

A little luck is exactly what Morgan needs in her life. When her acceptance letter from NYU arrives she thinks maybe things are about to change. She just doesn \tilde{A} $\hat{\phi}$ \hat{a} $-\hat{a}$, $\hat{\phi}$ trealize how much. It's quite thrilling enough to discover that her new home is a beautiful mansion. But then she discovers her housemates. Five wildly attractive young artists. It's easy to get swept up in the fairytale of it all, but this house carries with it a secret... and so do the five enticing and charming men. In time, Morgan learns the six of them must wield this knowledge--together--if they're going to save the world.

Customer Reviews

This might be one of my favorite plots from this author! It was unique, centering on a Celtic myth I was unfamiliar with. That was a plus for me. It made everything feel fresh and original. I would've liked a little bit more depth in Morgan's character/characteristics - because she's quite intriguing. I suspect that we will learn more about her and her past, going future beneath the surface, in the next few books. The sexual tension between the main character and the guys in her house is *amazing*. I mean sizzling. I had some reservations as to whether or not it would feel believable, for the main

character to have a connection to various male characters this way, but it totally worked. Good introduction to the reverse harem genre for me...

I purchased this book because of all the glowing reviews, and was really hoping for an awesome story with some action, magic, adventure, and lets not forget some romance! But, alas, these glowing reviews betrayed me.Raven's Mark begins with Morgan, our unlikely heroine who is a wannabe author, who mysteriously receives a scholarship she never applied for, get's to live with some sexy guys who are drawn to her, and boom! Sparks fly, and adventure awaits. Or so I was hoping. Instead everything was so fake! I seriously rolled my eyes a dozen times, and I was afraid they'd get stuck by the end of the book. The plot was see through, and I could live with that, really I could...but it was so rushed and unbelievable, not to mention their reactions, or more specifically, Morgan's, was beyond ridiculous. I don't wan to spoil it for anyone, but let's just say she has an "okay, so this happening, and I'm going to be boring and roll with it because it all apparently makes sense in her head." She is such a boring character for someone who is supposed to be epic! And what kills me is that Raven's Mark could have been something so freaking awesome if it was hashed out more, and written less like a young child's book....and by that I mean the clues (if you could even call it that) are so in your face it would take an idiot not to notice. When I read a book, I want some depth to my characters, a plot that actually goes somewhere, and steamy who-ha-ha if I pick this genre. It semi had that at least, but, even that could've been hashed out a lot more, and done better. Now, if you like a super light read, with meh who-ha-ha, a pretty boring heroine, just a tad of magic thrown in, and some sexy guys (I will say she got the guys personalities and depth drawn out nicely), then go for it! If you prefer writing a with a heroine who has a soul and better writing, then steer clear. I, unfortunately, won't be reading the next installment as one book is all I could take. I do recommend, if you like reverse harem, anything by Jane Washington.

Let $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s start out by saying AMAZEBALLZ!!! This is hot new take on the The Morr $\tilde{A}f\hat{A}$ -gan mythology full of romance and self-discovery. I $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ ve been in a funk lately with trying to find an RH that captures my attention and when I was lucky enough to receive this ARC I decided $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} "heck Yeah, why not $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} -! I devoured the book within a few hours and was happy to discover I found a new RH that $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} \tilde{A} \hat{a} , ϕ II be definite fan of for future stories to come. I $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} \tilde{A} \hat{A} , ϕ Ve been in search of a more adult RH and I $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} \tilde{A} \hat{A} , ϕ M not afraid to admit I don $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} \tilde{A} \hat{A} , ϕ T mind a bit of sex time in my reads that the YA ones don $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} \tilde{A} \hat{A} , ϕ T offer. The romance in the book is the perfect blend of

sexual tension without bordering on annoying and left me wanted more. Is hard to find a more adult RH without the main focus drowning in sex and leaving the plot to only encompassing about 15-20% of the book but that wasn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ t the case here. There was a good balance between the 5 males and each one is unique and sexy on their own. Dylan (who I took for the smart one and who Morgan first meets), Damien (the creative one), Clinton (the strong defender), Sam (the beautiful outgoing one) and Bun (the caring gentle one) I love each and every one of them and $I\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ d have a hard time choosing which I like more between them. The story is written in different perspectives between the female lead and her love interests mainly focusing on Morgan and her acceptance into a new school in New York for creative writing with a full scholarship only to find out her roommates, the 5 sexy males, have secrets of their own. I love how the author weaves in a more contemporary tale of one of my favorite mythological character The Morrgain the triple goddess of war and death, the "Phantom Queen". And can $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ t wait to get my hands and the rest of the series and see where Morgan $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s journey takes her!

Raven's Mark is a new reverse harem based on mythologies surrounding ravens. Ravens have appeared in lore since the beginning. These ravens seem based on Celtic myths. Fantastic premise! Morgan, a graduate student/writer has been awarded a scholarship into NYU. It comes complete with free tuition and a beautiful suite in a mansion with 5 other artists. Five gorgeous male artists. These men have a secret, one that Morgan desperately needs to know. The world depends on it. I was instantly captivated with this story. It weaves ancient mythology with Morgan's past, present, and future effortlessly. Morgan seems like she will be a worthy lead female as well. She's smart, creative, lovely. She has huge challenges ahead, but I have faith in her and the guys. Dylan, the record keeper, ever faithful; Damien the metal worker with his shiny baubles; Sam, the easy-going photographer, Bunny, the damaged artist; and Clinton the ever watchful musician. I feel like we got a good start knowing the guys, but I hope for even more next time. The ending of the book sets up this possibility perfectly. There's a good, natural connection between Morgan and the guys; plenty of sexual tension and 3 super hot scenes. Intimate and erotic, yet not too much. Enough to make you look very much forward to future encounters. This was a fast paced book that included world building character introduction and set up the series storyline. It's a solid start. Morgan's destiny is now. I can't wait to see what happens next.
