Be Mature (James): Growing Up In Christ (The BE Series Commentary)

Synopsis

Perhaps of all the books in the New Testament, James most squarely focuses on results. His pull-no-punches approach to spiritual maturity, his preference for action over words, makes his text the perfect backdrop for a study of how to grow in our faith. Beloved author and teacher, Warren Wiersbe, leads you through this practical book with advice on how to overcome temptation, controlling the tongue, effective prayer, and how to practice what the Bible teaches. If you're going to make progress in these areas, you will need a growing faith and dependence on Christ because as James claims, "Every good and perfect gift is from above." Now with study questions and updated foreword by Ken Baugh, *Be Mature* makes the perfect guide through your study of James. Trust Warren Wiersbe's 40+ years of experience to instruct you on important truths from God's Word.

This commentary on the Book of James is absolutely wonderful. Our Bible Study group has been thoroughly enjoying it alongside our study of James, and we are definitely looking forward to delving into more of Warren Wiersbe's "Be" books... I also recommend this book as a gift. I have already given five out to five different loved ones, who are all also appreciating it.

Good for group Bible Study; can be used individually. True to the Scriptures. Best to have your Bible handy so your study of the book of James is from the Scriptures; using BE MATURE only as a guide to deeper thinking..

Reading these "Be.." books are truly so helpful and inspiring. It's hard to put them down at night to sleep. They encourage me so much to grow in Christ and strive for spiritual maturity. Another wonderful book!

Wiersbe's "To Be" series is one of the very best commentaries. Great for teachers, pastors, and any Christian who wants a better understanding of God's Word.

I loved how Mr. Wiersbe guided me through the entirety of James. I am new to the ministry, but I have been studying James quite a while. Even more was brought out in this commentary, Be Mature. I particularly enjoyed the breakdown of James 2:14-26 into 3 types of faith: dead faith, demonic faith, and dynamic faith.

Totally enjoyed. Great for deep study and understanding. Used as a source for while using a different study book on James. Will be purchasing another one of the Be series. Considering using the BE series for bible study class.

Good in depth study, but don't really agree with Dr Wiersbe on all issues.

I have used this book as a reference for the congregation as I preached through James. I am presently using it in an evening study as an addendum for people to use alongside the teaching. The material is accessible, short, and very practical: this means people will actually read it!
