Death's Mistress: The Nicci Chronicles, Book 1

Synopsis

Onetime lieutenant of the evil Emperor Jagang, known as "Death's Mistress" and the "Slave Queen", the deadly Nicci captured Richard Rahl in order to convince him that the Imperial Order stood for the greater good. But it was Richard who converted Nicci instead, and for years thereafter she served Richard and Kahlan as one of their closest friends - and one of their most lethal defenders. Now, with the reign of Richard and Kahlan finally stabilized, Nicci has set out on her own for new adventures. Her first job being to keep the unworldly prophet Nathan out of trouble...

Death's Mistress: Sister of Darkness will launch The Nicci Chronicles, Terry Goodkind's entirely new series with a cast of characters centered on one of his best-loved characters in the now-concluded Sword of Truth.

Best Sellers Rank: #26 in Books > Audible Audiobooks > Fantasy > Epic #55 in Books > Literature & Fiction > Action & Adventure > Fantasy #72 in Books > Science Fiction & Fantasy > Fantasy > Epic

Customer Reviews

This book was troubling because it felt like Mr. Goodkind was trying to hard. In the original saga he had his ups and downs, Book 5 with the chime weapons comes to mind, too much nonsense there. The absolutely odd obsessing with the creator and the keeper for a good while suddenly died out. Richard and Kahlan continued to be unable to do anything functional apart and spent the majority of every book trying to find each other. Book six, Faith of the fallen was by far Goodkind's best work of the ENTIRE series. I have read and re read that hardcover so many times I have had to tape pages back into place, and re-cover it with new book binding. When Mr. Goodkind released the book of "Nines" or whatever it was called, as a thriller, it was just a closure to the Richard universe. Heck he

even made a non magical Zedd and Richard, and let Richard get together with a "amnell" version of nicci. The book "Nest" was okay, but his obsession with Nicci was there to, as she was technically the main character. In deaths Mistress, we have Mr. Goodkind writing a book like he was a novice, aimed at children until "spoilors" decides to have a plant hentai rape a woman and give her super powers. Im sorry but that scene was the most graphically described scene in the ENTIRE BOOK. His writing has plunged dismally. I for one, would suggest to readers to stop reading his stuff at Confessor, skip the weird little trilogy he released afterwards involving of all things the ultimate bad guy Saluchan from "The Ancient War That obviously people couldn't finish what they started because they were busy ripping super powered printer machines out of the underworld"...Apologies for bad diction, I am tired. Please be forgiving.

Excellent! As usual Goodkind does not disappoint. This was a constantly evolving story. Very much worth the read. It's a page turner, you will be reluctant to put it down each day On to the next!

Similar to his other books but I like that the characters are carried over so that I feel more comfortable with the new series and don't have to figure out people or backgrounds.

I am huge fan of Terry's work. I really enjoyed this new series with Nicci and Nathan starting out in new adventures. I can't wait for the next one!

At times while reading I wondered if Goodkind actually wrote the words. However, like his previous series, I was riveted to the storyline and finished this book in only a few days.

Not as good as the previous chronicles, but was an enjoyable read. Now the part I hate; waiting for the next volume.

Another great story about two of my favorite characters. I really look forward to other stories in this series.

Reminded me a lot of Wizard's First Rule and the original 6 books of the Sword of Truth saga. Adventure and exploration abound. Nicci certainly proves herself worthy of carrying a new saga on her own. Recommend this book.
