Synopsis

As a Jewish historian, Flavius Josephus gives the Christian a new perspective on the Bible and Jewish history. This collection of his works produced as an e-book by Delmarva Publications is clear, easy to read and understand, including a linked table of contents. You will be most pleased with this study guide to the Bible. The Works of Josephus include the following: THE LIFE OF FLAVIUS JOSEPHUS, his autobiography written shortly before he died. THE ANTIQUITIES OF THE JEWS, history of the Jewish nation from creation to the first century. This book gives insight to ancient Jewish thought, background and history up until the time of Christ; giving readers a deeper perception of the Bible and a bridge between the Old and New Testament. THE WARS OF THE JEWS, the earliest of Josephus's writings. He gives a first-hand account of the Roman invasion in Israel and how the Jewish people revolted, but were eventually overtaken. AGAINST APION, a two volume defense of Judaism as classical religion and philosophy. AN EXTRACT OUT OF JOSEPHUS'S DISCOURSE TO THE GREEKS CONCERNING HADES, an alternate glimpse of Hades opposing the view of the Greeks.

Customer Reviews

I just received this today so I barely scratched the surface of what this book contains, but just by reading the chapter titles I'm very excited to find out. I like to study religion so I know I won't be disappointed. I gave it five stars for the price and for the way the book is made, I like sturdy hardcover books and the pages were okay too.

I do like it. It's a great companion to bible study and very easy to read.

Very nice book. I just can't remember if I bought this new or used. At any rate, it sure looks new. Only one small complaint, that is technically my problem. Very small font.

This book offers a different take on the history of the Bible. The information is very interesting and it sets well with my prior knowledge. His claims are set during the time thereafter the birth of our Lord Jesus the Christ. I received this book in very good condition and in a timely manner.

This ancient classic is for those who are interested in history. Briefly, Jesus of Nazareth is mentioned.

Classic work , it's interesting that this great work stands as a testament to the ancient world of Israel as one of color.

The writings are very important to those who are wanting to learn about Jewish traditions before, during and after Jesus Christ.

Brilliant translation, a bit older however (1737). Don't be discouraged by the older style writing, it's still very easy to read. The Appendix and Index provide great insights, great structure and will aid the reader through several over-arching narratives. Strongly recommended for grad level students.
