Customer Reviews

The Faber Accelerated books for Older learners are wonderful. The pace is fast enough to be interesting for someone like me, who listens to a lot of classical and jazz music. The song selections are pretty, sometimes even beautiful -- rare in a book for beginners.

I purchased the series of Accelerated Piano Adventures for the Older Beginner, Level 1. Easy to understand, but challenging. Just what I wanted to help me learn to play the piano.

As advertised

Great books.

Works great for my 7 year old.

Great

Great Piano Lessons..Would Recommend:)

Easy to follow on my own. Goes great with the set.
