I absolutely love Rollo Dillworths Choir Builders! I even got to do a workshop with him using this book! A must have in the music classroom!

thank you ..excellent item and fast shipping

I love Rollo Dilworth!

Concise, easy to use, well written with musical goals in mind. Highly recommended. Only wish that the rhythmic calisthenics routines were included on the CD.

The book has explanations/concepts taught for each warm-up. The CD is also useful. I have already used it quite a bit with my beginner choir.

Love it. Thanks for your service.

Choir Builders is full of great ideas and songs for choral rehearsals. My only concern is that it arrived with water damage.
