## Synopsis

Despite her spoiled upbringing, twenty-year-old Lenore Fulcher isn't pretentious. She simply believes a marriage should be built on true love. Her father, however, thinks she's wasted enough time searching for the perfect husband. He wants to marry her off to one of his business partners--who is seventeen years her senior--an idea that is out of the question for Lenore. Kolbein Booth, a young lawyer from Chicago, arrives in Seattle looking for his headstrong sister, who he believes may have answered an advertisement for mail-order brides. Sick with worry, he storms into the Madison Bridal School, demanding to see his sister, only to learn she isn't there. But Lenore Fulcher is, and something about her captures his attention. Is this the man Lenore has been searching for? She may not have long to find out...

## Customer Reviews

I have read a lot of Tracie Peterson's books and they have been interesting at least. But this one...sappy, poorly written, no development of any character. I had to force myself to the end. She introduces some unsavory character in the middle and throws in a couple of unsolved murders that

end up having nothing to do with anything in the story. His illegal business is not dealt with and the main character and her love just keep mooning over each other with sugary sweet lines. And they love each other after one day. It was all too much. I read to the end to see what was going to happen with the bad guy, but nothing....Just like this novel was nothing. I won't be reading anymore. I've often wondered if this is what happens to writers when their publishers put pressure on them to write.

Easy reading with a wonderful emphasis on God being with us all day long, not just when we are praying. I liked reading about the historical aspect in Seattle since I lived there for quite some time.

I really enjoyed this book. She is such a gifted author!! I look forward to reading more of her many books, love her speaking much of trusting God, no matter what happens!! Butterfly n

I love Tracy Peterson's books but this one was very disappointing. Characters seemed silly. Storyline left reader in mid-air. I kept hoping something would happen but it never did.

A good read. A bit too much detail that seemed like filler.

I can hardly wait to read #2 of this set. Will Abrianna and Wade find love together? As usual the author keeps the reader's attention. Also love the Christian theme throughout.

Very good. Kept my interest until the end . Tracie Peterson is one of my favorite authors. She writes about the period of times in history accurate.

very good
