Storm: A Novel (Faithgirlz / Soul Surfer)

Synopsis

It took real faith and courage to get Bethany back on a surfboard after losing her arm to a shark. The Soul Surfer fiction series is based on the life of surfer star Bethany Hamilton, as she and her friends discover God's love and guidance as they tackle the waves life hands them. In book three, Storm, a car wash and a surf-a-thon with inflatable toys seem like great fundraisers for a mission trip for Bethany's youth group. But an unexpected and life-threatening challenge for Bethany and her friend Holly brings a mysterious twist to their plans for Mexico.

The Soul Surfers Series is a very inspirational set of books! Bethany Hamilton is my rock and my idol because of how much she is able to do with only one arm. My arm was paralyzed in a motorcycle accident and because of Bethany Hamilton I amputated my arm, these books really

helped me form the decision to have my arm amputated and to feel comfortable with it.

This book is amazing because it is a Christian and very inspiring book. I highly recommend this book for middle grade students.

My daughter has really enjoyed this series! She reads through these books in a day or so!

It is a sweet and awesome book because it has God in it so I would highly recommend it to any body that likes soul surfer.
