Customer Reviews

You may want to save this book to your favorite book on your library so you can find it again. It is so organize it so that people would not get lost so easily and even though some say it is fun to be lost,

occasionally you need a place to come back to and get your bearings. Ancient sun-bleached ruins pierce blue skies as the Aegean laps at the endless coastline. And Greek culture is alive with passionate music, inspired cuisine, thrill-seeking activities. The constantly evolving contemporary art scene, fantastic Mediterranean cuisine and outdoor bars keep things exciting.

This is a good book on Greece: Where To Go, What To See. All of the things, tips and guides that I need to know about Greece Travel are already included and well written inside. The author has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the Sights & Must-Do Activities. Very informative, useful and well written. The book is worthy of attention! I highly recommend this book to all.

This book is spot on for the sights you need to see in Greece. The Greece travel guide recommendations are excellent. This book is very helpful if you want to go to Greece. The climate in Greece is a Mediterranean type of temperate climate. Winters are mild and wet and summers are hot and dry. The west part of the country enjoys a wet Mediterranean climate, whilst the Cyclades, Dodecanese, Attica and Central Eastern lowland parts of the country enjoy a mostly dry Mediterranean climate. Western Macedonia and the highlands of the mainland have a continental climate and mountain climate is found

I guess Greece is one of those countries you must see along your life. The nature is spectacular, the sea is breathtaking, the ancient sights are outstanding. And with the help of this guide I can really plan a good route, including the best places and views. Though I would like to see more pics in travel guides I liked this one.

This book was pretty helpful. It gave me direction on where to go in Greece and places to visit. It has a lot of good tips on what to do and where to go it has full of information. Wonderfully written, great pictures and all the information we will need for our trip to Greece. Going to Greece soon and will make good use of it.

With my wife and I planning a trip to Greece in the next year, we are trying to read up on what we need to see while we are there. This book is very thorough, including many places that we didn't know of, but can't pass up now. If you are looking to maximize your trip, give this book a read, you

will be glad you did.

This book is a great tour guide. It helped me what to do when you're in Greece. This country is one of the most beautiful and successful country. I liked their hospitality and also their places. I saw their beautiful, old and historical places here in Greece. I liked it. This book is very helpful if you want to go to Greece.

I have discovered an amazing book which is totally written about travel guidance of Greece. This book is truly fantastic to read and getting the fun of interesting things and places of Greece. I have actually enjoyed the reading of this book and discovered essential information which is required to know any place.
