A Shade Of Vampire 6: A Gate Of Night

Synopsis

The PENULTIMATE book in Derek & Sofia's journey! ***** Overall Top 15 Bestseller. #1 Bestseller in Vampire Romance, Paranormal & Fantasy.***** Welcome back to The Shade... Derek and Sofia are finally enjoying a well-deserved break. Staying at a resort with good food, sun and sea, Sofia is thrilled to witness Derek's re-introduction to the human world. They would almost be mistaken for a normal young couple, if it were not for the red-eyed monster lurking in the shadows and watching their every move, waiting for his signal to pounce... "I don't know how Bella can write so beautifully every time, but she does... The continuation of Sofia and Derek's story is an epic one. This book will keep you on your toes wondering what will happen next." - Dionne Borden "The love story of a life time." - Bertha Hackett "Stunning. This book is phenomenal... an absolute must read." - Kindle customer *Beware of spoilers in the reviews below that are without spoiler alerts* Note: Derek and Sofia's story completes in Book 7 of the series: A Break of a Day, and the characters embark on entirely new adventures from Book 8.

Customer Reviews

This book, was definitely worth the wait. Once again Bella has given us a masterpiece. I am not one to give long reviews with lots of details about the book. I just want to be honest and tell you if I believe its worth the read or not, and I am so glad to say that this book did not disappoint. So with that enjoy... and Bella, even though you made us wait so long.... it was worth it Thank you!!!Tina
XOXO

I enjoyed all of her books and cannot wait for the next one she has a way of writing elegantly it just flows so well no matter what character she is using and the story line was one that was new and refreshing to me even though it was about vampire which has been done time and time again when I read Bella's series I didn't feel like it was something I'd done before

Wow! I surely wasn't expecting this! So many things happened, that you will want to know, if you are reading the "A Shade of Vampire" series and loving it, the way I do. Too much to tell, that would be a "spoiler", and ruin the surprises you have in store. Very intriguing, happiness, sadness, revelation, strength, birth/death, capture/rescue, war, separation, reunion, disappointment, kidnapping, etc. Now for the conclusion of Derek and Sofia's story.....

Sofia and Derek are married. Derek is human and they head off for a honeymoon. All seems to be going well until they let down their guard. Darkness is stalking them and shortly after they start their honeymoon, they are taken to The Blood Keep. It is Sofia that the Elder is after. They collect immunes and keep them at The Blood Keep to feed on and entertain themselves with. Kiev wants what Derek has. He wants to know what is so special about Sofia. Derek is taken to the witches' Sanctuary and tries to gain control of himself and his newfound power. He fails miserably, as he always does without Sofia at his side. Sofia is his control. Eventually, time starts running out for Sofia and her situation and Derek returns to The Shade. Derek is met with staggering revelations once he returns and has a hard time controlling himself. The Shade is under attack by the darkness and the Elders. The Shade's vampires are being used against each other and the Naturals are under attack as well. A few of the vampires and hunters flee to hunter headquarters to regroup and plan an attack on The Blood Keep. Sofia is planning her escape as well. As with everything else, things go wrong with both the rescue and the escape. Sofia becomes the price for the actions of The Shade's witch and the Ageless gives her to Curor in an attempt to maintain balance between the Elders and the Guardians. This book was okay. I'm glad that Sofia and Derek's story is coming to

and end with the next book. I am invested in their outcomes but I have no intention of continuing with the series after that. My decision comes mostly because I hate the way the story jumps from one point of view to the next every little bit. It's distracting. Also, when listening to the audio I find myself tapping the skip 30 seconds button more and more. I'm just at the end of my tolerance for the slow moving plot and changing POVs.

Sorry not good at this for everyone to read my review and then decide to read this series. The series, characters are...well keep you reading til you've finished the book or several chapters. Read Sofia and Derek's story which is finished in Book 7. I'm going to continue reading this series to see what happens with, Vivienne, Aiden, Ashley, Kyle, the Elders, Kiev....

How twisted this series has become leaving your reader up in the air wanting more. With an ending unexpected and all hell breaking loose. I am so glad to read the series after several years in the making. With the series going into the seventh installment because I would of been able the the next novel to come out.

This book is one of the best in The Shade of Vampire series. It leaves you wanting more. It leaves you with unanswered questions. How did Sophia get turned into a Vampire? What happened to their son that Kiev stole? What happened to their daughter? What happened to the witch Corrine? What will happen to the Shade? What will happen to Derek and Sophia? So many questions that I need answered. On to book 7 for the answers.
