Footprints In Time: A Walk Where New Hampshire Began (NH) (Gen)

Synopsis

The landscape of Odiorne Point has seen centuries of change from the courageous footsteps of the first settlers at Pennaway to the firing of guns at Fort Dearborn. Behind the breathtaking beauty of the area lie secrets of natural and cultural history hidden deep in the sands of time. Available for the first time in book form, *Footprints in Time* is based on a walking tour popular at Odiorne Point State Park since 1988. Whether you are relaxing at home or rambling along the park's winding trails, this oceanside walking guide will lead you through the fascinating stories of the Birthplace of New Hampshire. --This text refers to an alternate Paperback edition.
