The Guy Under The Sheets: The Unauthorized Autobiography

Synopsis

Because no one will write an unauthorized biography about Emmy-winning actor and comedian Chris Elliott, he has done it himself. Listener, you're hereby warned that much of this book will be disturbing. *The Guy Under the Sheets* is a behind-the-scenes memoir so personal, so provocative, that Elliott nearly sued himself to halt publication: The most shocking revelation, corroborated by numerous unnamed sources, is that Elliott is not the absurdist comedian that *Rolling Stone* once called "a genius". In fact, he's a slightly dim-witted no-talent from a celebrity family who managed to convince a whole generation of disillusioned youth that he was funny. Few have seen his dark side: a ghastly childhood spent on Manhattan's posh Upper East Side; a torrid first love affair with Lee Radziwill; a torrid second one with Kathie Lee Gifford; his first job dismembering bodies for the Mob; and countless episodes from the life of a mediocre artist who somehow faked his way to the top - of semi-moderate fame and fortune. But seriously, Elliott is a brilliantly comic best-selling writer - and while there is plenty of fictional fun in *The Guy Under the Sheets*, also woven throughout are wonderful real-life anecdotes, including Elliott's start at *Late Night with David Letterman* alongside Andy Kaufman, his work in films from *Groundhog Day* to *Cabin Boy*, and much more. If the author does not prevail in his lawsuit, this book is bound to delight many new listeners and loyal fans alike.

Book Information

Audible Audio Edition

ASIN: B009OXQRZ6

Best Sellers Rank: #91 in Books > Audible Audiobooks > Humor > Parodies #776

in Books > Audible Audiobooks > Arts & Entertainment > Performing Arts #1226 in Books > Humor & Entertainment > Humor > Comedy

Customer Reviews

I wasn't lucky enough to have access to the Letterman show back in it's ground breaking days, but I am sure Elliott would have been one of my favorite things on TV back then. Fortunately we have this

book, the anti memoir, by the anti comedian, which is brilliant from the opening paragraph to the last. Although the acknowledgments section is sure to earn him a few death threats by Andy Kauffman.

Chris Elliot is vastly underrated as a comedian. Now I can say he is vastly underrated as a writer. This was compelling from the first page and for a person of any wit, I wholeheartedly recommend it. One never knew what kind of crazy turn it was going to take. Brilliant doesn't even touch it. I wonder what it would be like if you read it while on some controlled substance? Groovy, Man.

If you read and liked any one of his other books you're in for a real treat. This is even funnier than the one you read! Story too zany? Sure but it's funny and Chris still has "it" whatever that is. P.S. if "Daddy's Boy" was PG this one is NC-17.

You want Elliot to stop because you can't take the laughter. I've never cried from laughing like this. You'll be hooked!

Fun book especially for fans of Chris, have reference materials nearby to appreciate all of the details from Hollywood history that were folded in.

Chris Elliott is great. I have loved all his books this is no exception. Hilarious!!

You've got to be a HUGE Chris Elliott fan to love this book. I am a fan. It is absurd, wonderfully so in places. As far as a memoir, sometimes it is hard to discern the truth from just the silly as they are intertwined together. If you have an open mind and find Chris Elliott funny, you may like this book.

Best unauthorized autobiography that I have ever read! Although I am not sure that I have ever read one before.
