## Customer Reviews

Very nice book with perfect parcel to send it to me. And the book seller is very nice and quick to give response to my request. Great!

This is the first "larger product" in our kitchen collection. Thus far (one week), it is sharp, performs well for chopping and slicing, and has excellent balance and weight. Time will tell how it retains its edge and resharpens. very good . fast and in time.. my family need to change a new one , would purchase again.
