## Customer Reviews

Thank you for the great price and the convenience of textbook rental.

Very thorough and comprehensive.

great

Thanks

Very helpful

I needed this for a class and offered me a much better deal than the campus bookstore. Not the greatest book but it does have a lot of Bible verses if that is what you are looking for.

I am not a religious person but needed this book for a class. I think it focuses way too much on faith and not enough on management.

This book presents the topic of management where all your decisions should be based on religion in the work field. It is more of a theology book than a management book.
