Baking Soda Power! Frugal And Natural: Health, Cleaning, And Hygiene Secrets Of Baking Soda (60+) - 2nd Edition! (DIY Household Hacks, Chemical-Free, Green Cleaning, Natural Cleaning, Non-Toxic)

Synopsis

Do you want to learn 60+ ways baking soda can clean your home, cook meals, and even cure canker sores? 100% naturally and non-chemically? All this from a tiny 99 cent box of baking soda? You bet! You need to learn the secrets behind Baking Soda Power! Baking Soda Power! will teach you everything you need to know about baking soda - where it comes from, why it is superior to artificial substitutes, and why it even works -- so you can go beyond the methods I give you and create your own. You will learn over 60 creative, useful, and FRUGAL ways to use baking soda and I guarantee that at least 50 will be new to you! You will learn how to make this environmentally friendly, non-toxic, 100% safe product work for you in ways you never thought possible and reap the benefits of a healthier and chemical-free lifestyle! We will hop from the kitchen, bathroom, stovetop, oven, laundry, outdoors, carpet, furniture, car, and even your children and pets to uncover some great and unique uses for baking soda! Here's a sample of what you will learn in Baking Soda Power!

- The origin of baking soda and exactly why it is so effective
- How to treat bug bites and burns
- How to freshen up your shoes and laundry
- How to degrease your kitchen with baking soda
- How to cook and bake with baking soda
- How to use baking soda as a deodorant and shampoo
- How to put out fires with baking soda
- How to unclog drains safely
- How to tenderize meat and make homemade Gatorade with baking soda
- PRECISE recipes for each use!

And so many more ways to apply baking soda to your everyday needs! With Baking Soda Power! you will learn how baking soda can save you loads of money each year by replacing toxic, dangerous cleaning agents that are in your house right now. Cooking will be more convenient, your home will be much cleaner and fresher smelling, and your own hygiene will be bettered in a completely safe and non-chemical way. You will never do laundry the same! You will see how versatile baking soda is and the countless ways it can benefit your life. Don't hesitate on saving money while staying safe - scroll up and click the orange BUY NOW button immediately. P.S. The price is always right for baking soda! Prior to finding her calling as a mother, Patty obtained a B.S. in chemistry from one of the top universities in the United States. She has a rare combination of practical application and theoretical knowledge of baking soda - she quite literally knows the ins and outs of baking soda unlike anyone else!

Customer Reviews

This book was very helpful. I didn't know of the uses for baking soda and simple things. We don't use this because of the effort it takes but I will start using it for other things and not just the refrigerator. I have always wanted to use as a toothpaste but never thought to use for the dog. Wow!

Nice comprehensive read about the multi-functional uses of baking soda. It's a versatile ingredient that is already in your kitchen! These are all well-known uses for baking soda that are safe!

I love that I ran across this book. Many of the ideas in here I already knew about but now have the exact ingredient amounts to follow. I recommend this book to everyone!!!!

Cool ideas to save money. Laundry detergent and lots of other household cleaners are pretty expensive where baking soda is not. Feels good to be frugal and save money where I can.

Baking Soda Power! Frugal and Natural: Health, Cleaning, and Hygiene Secrets of Baking Soda (Home Remedies, DIY Household Hacks, Chemical-Free, Green Cleaning, Natural Cleaning, Non-Toxic) Starts off by telling us of the bad effects of other chemicals compared to baking soda, how good it is for health and for cleaning. Lots of useful information about cleaning and odors and how to prepare the solutions. Kitchen, bathroom, baking tips, beauty and hygiene uses, around the house, inside and out. So much to read about.

I love being able to de-odorize my hands after cooking smelly things with baking soda now! It just makes the kitchen such a fresher smelling and feeling place.

I loved the book. It has so many great recommendations that I have already started using. Did not know there were so many uses for baking soda!

This book is a wealth of information. Love cleaning without harsh and toxic chemicals. This book is only one you will need.
