Seriously?: A Humorous Look At Life's Little Plot Twists

Synopsis

In her tongue in cheek style, Sherrie Giddens introduces you to her most laugh-out-loud moments. Readers will feel as if they are walking alongside her, as she describes life as a card-carrying member of the klutz club. Her honest look at being a wife and mother is a hilarious mixture of unforeseen circumstances and misunderstandings, which seem to be a constant companion as she travels the country with her family. Join her, as she runs for her life, is mistaken for a corpse, and feeds a few alligators. Get to know Sherrie a little better as you walk with her, talk with her, and laugh with her.

Customer Reviews

Sherrie Giddens has done a great job of taking embarrassing, potentially dangerous & unusual events in her life & made them hilariously funny! In every example I found myself drawn in, almost as if I was also experiencing them. A quick read with lots of plot twists & with Time & Chance determined to put a kink in Sherrie's plans!

This is the funniest thing I've read in a long time! We've all been there, Sherrie just has the nerve to

tell the world! Worth the read!

As a card carrying member of the klutz family, I approve of her message. Laughter is as contagious as the tropical disease.
