Customer Reviews

The Limerick

I had no idea this book, or a book like it, ever existed. I bought it because I saw it being used lightheartedly on Critical Role (a D&D live stream on Geek and Sundry's Twitch), and have loved skimming through these tasteless little poems.

A friend of mine had had a copy of this book many years ago but had been lost so I went in search and found this particular edition on . Very happy with my purchase and made a wonderful gift. I would purchase from the seller again. I received it within the time frame promised.

Exactly as expected

Hahaha!

A classic!

enjoyed every moment

A naughty book, but I love it! All good limericks are naughty, and this book includes 2,500 of the best! Highly recommended reading (but not for the faint of heart!).

Dirty and hilarious! Makes a great gift! Who knew that 40-60 year old poetry could be so entertaining!
