## Customer Reviews

Kobalt Books was founded in 2003 as an outlet for inspirational and faith-based stories, inspirational books, movies, music and Spiritual/Prayer Journals.

This is a great journal for anyone, whether you are a breast cancer survivor or just a woman looking to the Lord for prayer. I love the cover and the message behind the journal. Would definitely recommend.

I bought this journal for a fellow client who is waging a battle with breast cancer. She is a woman of faith and told me that she uses it daily.
