## Customer Reviews

Wow, all I have to say, is that this book appeared to be written by an 8th grader, and then proofed by a 5th grader. It offered me no insight whatsoever, had spelling and grammar errors about every page, my wife literally laughed when she started to read it, and proclaimed to me, "this guy is only writing a book about how good he is, and he thinks he is gods gift to women" Honestly I wouldnt recommend this book to anyone. We made purchase of two books at the same time, "Oral Sex He'll Never Forget" and this one, the difference between the two is amazing. I am ordering the male version of the book I bought for her, "Oral Sex She'll Never Forget" and am using this one for kindling.....

This book offered nothing for me. This book is written for a 13 year old. If you're looking for new tricks, look elsewhere.

not so good

It was a good read and good info, I was already using the tips I guess, but it does have really good things in it and people can use it and it should work. the extras on health and reading women was good. But if you want some help or a refresher or to check what you are doing, get it or just for a fun read.

**MADE MY MOUTH WATER!**

The book was a quick,easy read but didn't give me, personally, any new information I didn't know. Most of the techniques are pretty accurate and I can see where it could help inexperienced people who want to please their lovers.

This book is worthless. It is just some jackass that thinks he is the king of eating out. Have the time he just brags about how the girls think that he is greatest. The rest is stuff that you learn in a high school locker room. It is like reading your dirty uncle telling you "ok this is how its done". Don't waste your money.

This is a seriously low-budget book with very little to no useful information, poorly written and presented with tons of misspellings. Please look elsewhere if you are considering buying this book because of the false claims that it makes in the title and reviews. It is less than basic, and not worth

any price. I was very disappointed in it.
