# The Rise Of The Wyrm Lord (Door Within Trilogy)

## Synopsis

The second exciting adventure in The Door Within trilogy *Ä* awaits! *The Rise of the Wyrmlord* revisits favorite characters from *The Door Within* and opens with Aidan Thomas in trouble. Separated from his best friend by a thousand miles and unable to return to The Realm of Glimpses himself, Aidan needs a way to reach Robby with a message from King *Ä* Eliam, the one true King. Enter Antoinette Reed, a bright but headstrong young woman who seems like the perfect person to reach King *Ä* Eliam. When Aidan discovers that Antoinette has been called to enter The Realm, he solicits her help to find Robby's Glimpse before it is too late. But when she arrives in the Kingdom of *Ä* Alleble, Antoinette finds the kingdom is in turmoil. *Ä* Alleble's allies are inexplicably beginning to turn away, renouncing former ties with King *Ä* Eliam. And there are rumors that the dark Prince of *Ä* Paragory, sworn enemy of the Kingdom, is seeking an ancient evil power *Ä* to crush the *Ä* Alleble once and for all. With over 250,000 copies sold in *The Door Within* trilogy, this is a perfect time to introduce the series to a new tween audience. The fantasy genre is wildly popular among young readers, and *The Rise of the Wyrmlord* is a heart-pounding second installment that will leave tweens and teens *Ä* on the edge of their seats. Meets national education standards.

Grade Level: 5 - 9

## Customer Reviews

Grade 6-8 The sequel to *The Door Within* (Tommy Nelson, 2005) opens a few weeks after Aidan Thomas has returned from the kingdom of Alleble, located in The Realm, where he trained to be a knight to fight the minions of the evil Paragor the Betrayer, King Eliam's nemesis. He meets Antoinette Reed, a classmate who also has knowledge of The Realm. This time, the plot turns on her adventures as she travels from Alleble to Yewland to convince the queen to align herself with King Eliam and discover whether Paragor has awakened the Wyrms Lord as a weapon against Alleble. However, Antoinette's task is somewhat muddled by Aidan's entreaty for her to find his friend's Glimpse and convince him to turn away from Paragor. There are some good imaginative elements here, but the Christian allegory is heavy-handed and unwieldy: science and logic are incompatible with faith and belief, and much emphasis is placed upon whether or not the people of Earth actively believe in the stories of Alleble (and therefore, ensure their salvation) without the compelling Gospel counterparts. The dialogue is much improved from the first book, but it still clunks along in parts where contemporary dialect is invoked. An additional purchase for collections that are in need of more fantasy trilogies. Farida S. Dowler, Mercer Island Library, WA Copyright © Reed Business Information, a division of Reed Elsevier Inc. "...draws the reader into the world-shattering, cataclysmic battle, leaving us taking a breath and waiting..." -- Author's Choice Reviews, May 1, 2006 --This text refers to an out of print or unavailable edition of this title.

A wonderful fantasy trilogy full of action magic and an awesome array of monstrous creatures! This is a great read for lovers of fantasy!

My 12 year old daughter first read this book series and loved it so I read it and it was great. I would highly recommend it to anyone. Awesome book. I liked the first and third book the best but all 3 were great.

When Aiden left the Realm, he saw a horrifying sight; His best friend Robby's Glimpse--on

Paragor's side. Since Aiden cannot go back to the Realm, he is desperate to find his friend and tell him the truth about King Eliam and the Realm, but they're separated by more than a thousand miles. Meanwhile, Aiden meets Antoinette Lynn Reed, a bright and headstrong young lady who believes in the Scrolls of Alleble. Aiden discovers that Antoinette has been called to enter The Realm, so he asks for her help to find Robby's Glimpse before it is too late. When Antoinette crosses over into the Realm, she finds it in turmoil. Alleble's allies are inexplicably beginning to turn away, renouncing former ties with King Eliam and Alleble. Rumors are floating around that Paragor is searching for an ancient evil with which to crush Alleble once and for all. Antoinette embarks on a journey with Alleble's finest knights to find the source of the problem, but will they be enough to stop the Rise of the Wyrms Lord? Wayne Thomas Batson has done it again with Rise of the Wyrms Lord. He ties in spiritual truths with humor and action to make an epic story that will draw the most reluctant readers in. The characters were very well developed and each one was completely unique; From a hammer-meister to a herb-master, it's in here. This will delight young and old in another action-packed adventure from the Realm. My only squabble is that it had a cliff-hanger ending, so beware! You might just have to get the next book at the same time.

love this Author!

This book was so good. They left the chapters so you would want to read more! I wouldn't recommend this book to and children under the age of 12, just because there are some things that you need to understand. And there are also some great descriptions of battling that might be a little more frightening for younger ones. Besides that, it was Awesome!

My daughter loved reading this book along with the series. She couldn't put it down unless we made her to go to bed. She started one Saturday morning on this particular book and didn't stop reading it until she was finished. I would recommend this series to young teens.

Great Book.. no problems with or delivery or payment options.. I would recommend this to anyone with a teenager or a very intelligent pre-teen like my daughter.. The author of this book came to her school and did a talk and that is why we got this book. She had already finished the first one of this trilogy. She is 10 and going into 7th grade at a private Christian school in Maryland. She really loves to read. I also bought her a Kindle.

Great book. A must read. This is number two of the trilogy and I have read it three time, but it is still moving.
