# Jamaican Breeze: A Caribbean Adventure (Florida Coast Adventures Book 3)

## Synopsis

Billy thought he'd get some downtime in Jamaica after rescuing his best friend's daughter, but the island had other plans. When a smuggling vessel sinks off the coast of Jamaica's shores, Billy realizes the cartels after its contents will do anything to get ahold of their illicit contraband. Now, if he wants to stop them from cutting a bloody swathe through the locals, he'll have to put his vacation on hold and take a stand. Good thing justice doesn't take a holiday.

## Customer Reviews

This is one of the authors that produces one good book after another. They don't get boring and hard to stay with the story from the series. Keep them coming!

Billy is fast becoming one of my favorite ex Marines! His loyalty and honesty along with his fighting ability make him a force to be reckoned with. Billy's buddy, Max, calls in a favor, sending Billy to Jamaica to find a woman's husband. Mary Ann gets a prepaid spa experience out of it. As

expected, as soon as Billy starts investigating it all goes South. With his only assistance coming from a local guy, Billy rescues the kidnapped wife and with her help locates her husband and figures out why they are being targeted. If you like non stop action and a truly good guy hero, this is a book has it in spades! I read an advanced reader's copy in exchange for an honest review. This was a fast read, very entertaining. I especially liked how his honesty & honor saved him from further torture & death.

Billy is back and kicking the bad guys butt again. While relaxing in Jamaica from book 2, Max cashes in on a favor for Billy to help Evie, a resort worker find her missing husband. Sit back and get ready for hilariously bloody fight scenes between Billy and the bad guys as he runs around Jamaica killing the bad guys and proving that Marines take a licking but keep on ticking while Mary Ann has a spa day. I love this series as it is always over the top with its gun battles that Billy always manages to survive so far. A few scenes made me giggle as I had to read it in one sitting to see what craziness Billy would find. I received a free copy and my honest review is to read this series and this book if you like a fun action story.

Billy is back and is wild as ever! This time, he is doing a favor for a friend which rather quickly lands him in hot water. What follows is a typical non-stop action, well-written, fun book, just what I've come to expect in a book by Mr. Asa. Yes, you do at times have to suspend your belief, but I read to have a good time which this series always completely delivers. I only wish we could see Billy's girlfriend; I'd like to see her get involved in some small way. If you like fast-paced, non-stop fighting and fun, give this book and series a try. Highly recommend! Thanks to the author for the e-copy which I voluntarily reviewed.

Billy and Mary Jane are pulled into another wild adventure from Max, because Billy owed Max a favor. Billy's Marine corps training will come in handy because he will definitely be in harm's way. The action is swift and quick as well. Three days go by pretty quickly when you're fighting for your life as well as those around you. Thanks for a great read. Can't wait to see what happens next to Billy and Mary Ann.

If you want something done then hire a ex Marine named Billy. Rough and tough is what gets him to pay off a debt. Getting involved with the drug ring in Jamaica causes lots of hardships including getting beat up, tied up, blown up and knocked out. Find out how Billy survived. Good book, Good

reading! I received a complimentary copy of this book for voluntary review.

Billy's adventures continue! This poor marine has Jamaican drug dealers after him while he is doing his best to save a woman so he can help find her husband. What a guy! Luckily, he has found an ally in Mason, a pot smoking local. This is another exciting non-stop action book. I enjoyed it very much. I did receive an ARC for my honest opinion.

Billy, Mary Ann, and the gang have another very dangerous adventure. Billy 's always willing to help people out gets him into some very dangerous situations. His marine training helps him overcome evil. Great read. Looking forward to next time.
