Rhonda Byrne is the creator behind *The Secret*, a documentary film that swept the world in 2006, changing millions of lives and igniting a global movement. Later that same year, Rhonda's book of *The Secret* was released. It has been translated into more than fifty languages and remains one of the longest-running bestsellers of this century. Rhonda has written three more bestselling books: *The Power* in 2010, *The Magic* in 2012, and *Hero* in 2013.

Absolutely love the quality of this personal book. It has a magnet, red bookmark, inspirational quotes. Its so easy to hold, write, it's beautiful and inspiring. When I do my evening gratitude exercises, I feel like I am writing the most important chart of my life. And it helps to sleep better :) I also picked a special pen, and now the whole process becomes sacred. I am a deep believer in magnificent power of love and gratitude. Everybody without exception should try it (sincerely!) for a

month, and see what happens. And then you would do it for life. Good luck to all of you, who make their dreams come true.

I am grateful for receiving this journal but cannot seem to muster gratitude for receiving the "Thank you" edition that does not have all the gold embossing. I now see a photo of this edition when I pull up the Gratitude product on . The edition with all of the gold embossing intact appears to have the words "gratitude" imprinted on the cover. I would have been delighted to have been given a choice of editions instead of having the choice made for me. This now explains the several customer reviews that mention the missing gold lettering/embossing. I think the partial gold embossing is meant to look worn but it just doesn't pass muster. Otherwise, I would have given this product five stars.

On my third one. LOVE IT!!

As always, I have nothing but good things to say about any of Rhonda Byrne's books. I like this gratitude journal because it keeps you grounded and helps you to show appreciation of what you have and what is around you. Would recommend!

The book is what I expected. I like it very much...It gives me the incentive to write my reasons for being grateful, which in turn makes me feel even more grateful...

Having this to journal and express gratitude in, is like having a diary. Each time I sit down to write in this, I realize how much I am truly blessed.

I'm a little bit special and didn't realize this was just a journal lol but I am absolutely in love with it! And I love the inspirational quotes. Thank you!

Gratitude is indeed the most important thing in the world. You can write your gratitude on any blank pages. But nevertheless I bought this special diary because The Secret transformed my life completely and I wanted to show my gratitude toward them by buying more of their products. Besides it contains inspiring quotes on every pages, which makes it more than just another diary.
