# Beard In Mind (Winston Brothers Book 4)

## Synopsis

Now a USA Today Bestseller! #1 Bestseller in Women's Fiction, romance and humor All is fair in love and auto maintenance. Beau Winston is the nicest, most accommodating guy in the world. Usually Handsome as the devil and twice as charismatic, Beau lives a charmed life as everyone's favorite Winston Brother. But since his twin decided to leave town, and his other brother hired a stunning human-porcupine hybrid as a replacement mechanic for their auto shop, Beau Winston's charmed life has gone to hell in a handbasket. Shelly Sullivan is not nice and is never accommodating. Ever. She mumbles to herself, but won't respond when asked a question. She glares at everyone, especially babies. She won't shake hands with or touch another person, but has no problems cuddling with a dog. And her damn parrot speaks only in curse words. Beau wants her gone. He wants her out of his auto shop, out of Tennessee, and out of his life. The only problem is, learning why this porcupine wears her coat of spikes opens a Pandora's box of complexity--exquisite, tempting, heartbreaking complexity--and Beau Winston soon discovers being nice and accommodating might mean losing what matters most. 'Beard in Mind' can be read as a standalone, is 130k words, and is the 4th book in the Winston Brothers series.

## Customer Reviews

I have so much love for this series...well Penny Reid's books in general, but this series specifically. The Winston's are wonderfully unique and the people they meet are just as unique lending a new perspective on love and life. I hate spoilers so I'm pushing that here but I feel like this book takes Penny to a whole new level. The understanding of living with a disorder (Shelly) is magnificent, wonderfully written, and very sensitive. The Winston Brother's series is about loyal loving siblings stand together and help each other navigate the complicated path of love and relationships. The concept is beautiful and the execution is flawless. With this being the 4th book in the series you should know the hairy band of Winston characters and if you are a Penny Reid fan you've also met Shelly before in the Knitting in the City series. Put them all together and you get a book that you don't want to end. I can't wait to see what Penny has in store for the last two Winston brothers.

Perfectly imperfect people who love and support and accept each other. Witty, humorous, thoughtful, well written! There will be parts to laugh out loud as well as parts that will tug at your heart. Oh, right, that's what this author does, EMOTIONS! She'll pull them right outa ya! :) Perfect continuation of a GREAT series!!! SMART writing that doesn't talk down to you! LOVE LOVE LOVE!

Well perhaps this is the best addition to the series to date!!! Beau is my favorite brother--and everyone should read this book! The author just gets better and better! This book has laughs, sadness, and the passion we all love! Here's to another great book! I can't wait for the next brothers "fall" into love!

Oh my goodness. This book was wonderful. Ms. Reid has a way of taking a plot line that seems unlikely and having it beautifully fall into place. She crafts unique, quirky characters you desperately want to fall in love and gives them a story that follows you. And best of all, she makes you laugh. Read it. Read them all.

Oh I have to say that Beau might be my favorite Winston brother. Great book as usual. I wasn't sure about the sudden switch in Shelly's personality but it was all forgotten not long after it occurred.

Turned out to be one of my favorites because I love Janie and she made a showing. Loved this book!

This may be my favourite book of Penny Reid's yet. It still had her trademark intelligence and humour. But this one filled me with so much emotion. The weight of Penny's words brought me to tears numerous times. It's an absolute must read for everyone.

I love this book. Penny Reid captures a family of characters that is so real you can hardly wait to visit all of them again. I hope the "WINSTON" family continues to grow so there will be many more books to come. These are such heart warming, funny, steamy and endearing stories. I hope Penny Reid never runs out of stories for me to enjoy.

Penny Reid is talented, I already knew that. But Beau and Shelly's story made me appreciate her work even more. The book is not only beautiful and romantic, but it brings a powerful message. It is not only about falling in love but also about loving yourself, even among your flaws. I will be forever inspired by Beau's kindness and Shelly's strength. I can't wait for the next book and I simply know I will be falling even more in love with this amazing family.
