Publisher: Merriam-Webster Mass Market; 1 edition (June 1, 1996)

Language: English

ISBN-10: 0877796505

ISBN-13: 978-0877796503

Product Dimensions: 8.4 x 0.3 x 10.8 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 10 customer reviews

Best Sellers Rank: #117,194 in Books (See Top 100 in Books) #69 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Editing](#) #207 in [Books > Textbooks > Reference > Dictionaries](#) #253 in [Books > Reference > Dictionaries & Thesauruses > Dictionaries](#)

Customer Reviews

The Merriam brothers desired a continuity of editorship that would link Noah Webster's efforts with their own editions, so they selected Chauncey A. Goodrich, Webster's son-in-law and literary heir, who had been trained in lexicography by Webster himself, to be their editor in chief. Webster's son William also served as an editor of that first Merriam-Webster dictionary, which was published on September 24, 1847. Although Webster's work was honored, his big dictionaries had never sold well. The 1828 edition was priced at a whopping \$20; in 13 years its 2,500 copies had not sold out. Similarly, the 1841 edition, only slightly more affordable at \$15, moved slowly. Assuming that a lower price would increase sales, the Merriams introduced the 1847 edition at \$6, and although Webster's heirs initially questioned this move, extraordinary sales that brought them \$250,000 in royalties over the ensuing 25 years convinced them that the Merriams' decision had been abundantly sound. The first Merriam-Webster dictionary was greeted with wide acclaim. President James K. Polk, General Zachary Taylor (hero of the Mexican War and later president himself), 31

U.S. senators, and other prominent people hailed it unreservedly. In 1850 its acceptance as a resource for students began when Massachusetts ordered a copy for every school and New York placed a similar order for 10,000 copies to be used in schools throughout the state. Eventually school use would spread throughout the country. In becoming America's most trusted authority on the English language, Merriam-Webster dictionaries had taken on a role of public responsibility demanded of few other publishing companies.Ã A

This is required by my SAT Ivy prep class professor for vocabulary. Build you vocabulary and do WELL! If not for the test, anything is fine, the binding even allows me to put it in my binder for easy access.

Same as the above thesaurus, I think this is overpriced. I bought it because my daughter's teacher required it. The bound books were much less.

Excellent, excellent useful desk tool!!!

My daughter finds it real handy, easier to use, and takes up less space in her binder for school

The print is too small

Just what we needed, thanks for the great product that I couldn't find in stores ANYWHERE!!

A++++++ It works perfectly for my kids for school!

required by both grandsons teachers. services the purpose. good size. does not take up too much room in the binders.

This is a great way for a child to start to learn how to "look up" words. It will be a nice tool for my childs academic advancement!
