Who Was Mother Teresa?

Synopsis

Born a humble girl in what is now Albania, Agnes Bojaxhiu lived a charitable life. She pledged herself to a religious order at the age of 18 and chose the name Sister Teresa, after the patron saint of missionaries. While teaching in India, where famine and violence had devastated the poor, Teresa shed her habit and walked the streets of Calcutta tending to the needs of the destitute. Her charity work soon expanded internationally, and her name remains synonymous with compassion and devotion to the poor.

Mother Teresa stared out the window of the train as it made its way from the crowded city of Calcutta, India, to the mountain resort town of Darjeeling in September 1946. The Indian countryside was very beautiful. But the train ride took many hours. With lots of twists and turns and zigzags to get up the mountain, the train moved slowly. That was okay, though. It gave Mother Teresa plenty of

time to think. Mother Teresa was traveling from St. Mary's School for girls to her annual retreat in Darjeeling. A retreat is a good place to get away from the noise and distractions of everyday life, and to spend quiet time in prayer and reflection. It was the perfect time to think about God and to get energized for the coming school year.

Love these books. My son, who is 9 has been reading them for a little over a year now and this book is wonderful. I must say that this one is not one of his favorites. He is a history junky, lol. He so far seems to love the Jackie Robinson, Teddy Roosevelt, Abraham Lincoln, Robert E Lee, What is the world series the best as a 8 and 9 year old. I also read these to him in the evenings and I really enjoy them as a 40 year old father. I have learned so much from them as well. Sometimes I read them before or after my son in order to have an educated discussion with him about the subject of the book. I really also get a lot out of them as well.

I absolutely love this series of books. A must have for any homeschool library.

Daughter loves the book, nice addition to the "Who Was" series

Another great book about a wonderful woman!

I am happy with my purchase

Full disclosure, I haven't read this myself, however my fifth grade students have and they love it. You will not find this on my classroom bookshelf because someone is always reading it.

These are wonderful books.

Great addition to my collection
