Customer Reviews

What to say, except it's a fun witty calendar. If you like wine and your looking to keep track of 2017, 18, 19+ why not combine the two ideas into something fun each day. Some of the expressions are just that, an expression of that moment, and some of them are true statements like "It's not a hangover, it's wine flu." Neat Stuff!

These calendars are the best. I work for a very large Wine Wholesaler and these witty phases are the hit of my office. Will order again for 2018

Funny and large calendar.
