Customer Reviews

Skeptics have reasonable questions that deserve reasonable answers. But how do Christians faithfully answer the hard questions about God, evil, miracles, the Bible, the afterlife, truth, morals, and more? For more than twenty years, *When Skeptics Ask* has been the go-to user-friendly guide for thoughtful answers and clear explanations on the most difficult questions about the faith. It is now revised and updated to address current issues and recent attacks on Christianity. Apologetics experts Geisler and Brooks explain how to defend the faith, using the authority and inspiration of Scripture, and teach you how to identify and respond to the misuse of Scripture by nonbelievers. "Geisler has been a model of apologetical activism to a generation of evangelicals. *When Skeptics Ask* is no exception to this rule."--J. P. Moreland "Geisler is one of the foremost defenders of the Christian faith."--Josh McDowell "An excellent tool for Christians who want to be able to provide sound answers to real intellectual questions about the Christian faith."--R. C. Sproul Norman L. Geisler (PhD, Loyola University of Chicago) is Distinguished Professor of Apologetics and Theology at Veritas Evangelical Seminary in Murrieta, California. He is the author of more than seventy books, including *The Big Book of Bible Difficulties*. Ronald M. Brooks, formerly of X-press Ministries, is coauthor of *Come, Let Us Reason*.

Norman L. Geisler (PhD, Loyola University of Chicago) has taught at top evangelical colleges and seminaries for over fifty years and is distinguished professor of apologetics and theology at Veritas Evangelical Seminary in Murrieta, California. He is the

Well written general work on Christian apologetics. If you are already reasonably familiar with the subject, it will not be anything new, but is still a very useful review.

Defend your faith, know why you believe, stand strong even if you have to stand alone. But please know that you're not alone. We have much pride with in us... let's redirect our pride to our Saviour.

This one is a must. Excellent reading, well researched and sourced. Excellent source of knowledge now! Nothing in my follow up research has given me any pause in recommending this book.

Fast and the book arrived the way it was described.

solid! Great addition to my collection and a healthy read outside of the encyclopedia for cleaner instruction.

Good topics but not always convincing

One of the best resources on the subject around

Great book!
