Customer Reviews

Erika Dillman is the writer, editor, and producer of an online product review guide at www.fitnessstravelgear.com. She has written health, fitness, and travel articles for a variety of national publications and websites, including "Ms.," "Runner's World," "Self," and "Women's Sports & Fitness Magazine." She is the author of "Outdoors Online: The Internet Guide to Everything Wild & Green" and the popular Little Book series, which includes "The Little Pilates Book" and "The Little Yoga Book,"

Sorry it has no photos. Sorry I bought it.

Just received this book a couple of days ago. I just finished reading it today. It is an easy read. It has a lot of information packed into it. Very informative; well written. She has four different workouts; progressively going from easier than harder to harder. I really don't classify any of them as easy. These exercises really target the hard spots. She included diagrams for the exercises. If anyone is looking to shape their thighs or [...], this book is highly recommended by me. I love it so much that I'm recommending it to my friend!

The book was as described, & shipped right on schedule

As a Pro Trainer, I'm a strong advocate of simple fitness programs - this helps people 'stick with it'. No gym memberships or expensive machines needed here - just a little consistency & commitment. If you are just starting out or need something for a tight schedule - check this one out. Joey Atlas - The Wizard of Fitness[...][...]

This is the first fitness book that I have ever bought, and I am so happy that I did. The exercises are so simple, easy, and best of all... THEY WORK!!!! This book not only has great exercises, it has so much great information about the exercises and the muscles they are meant for!

This little book is full of great information! The exercises are easy to understand and the section on nutrition and weight loss was fantastic.
