Customer Reviews

Who can say anything negative about a Bob Marley ukulele songbook? Having lots of fun with the easy to play chords.

been waiting for this, was able to jam some of the songs as soon as I got this. easy to follow.

Great book. Very helpful to use this as a way to remember my chords. The songs are all winners too.

Excellent. Chords, lyrics, and music for all his classics. Really well done & great collection to expand your uke repertoire.

We all love Bob Marley's music, having it transposed for the ukulele is sweet.

It was a gift and they loved it.
