Serious silliness for all ages. Artist Sandra Boynton is back and better than ever with completely redrawn versions of her multi-million selling board books. These whimsical and hilarious books, featuring nontraditional texts and her famous animal characters, have been printed on thick board pages, and are sure to educate and entertain children of all ages.

Sandra Boynton is a popular American humorist, songwriter, children's author, and illustrator. Boynton has written and illustrated more than forty books for both children and adults, as well as more than four thousand greeting cards and four music albums. She has designed for various companies calendars, wallpaper, bedding, stationery, paper goods, clothing, jewelry, and plush toys.

Great lap book on multiple levels. My 2-yr old grandson likes to name the animals, but the opposing qualities are still a little beyond him. Highly recommend.

This was purchased for our pre-school class. The book was just as described and arrived very quickly. Thank You!

We have a few of Sandra Boyton's books and my 2 year old (and my 4 year old) both love them.

I bought this for my 2 1/2 year old granddaughter. She loves it. It has vibrant pictures and is a sturdy little book.

The illustrations in this book are adorable. I got it hoping for it to help me teach my toddler about opposites and it's not exactly what I was looking for, but it's still good fun.

It's a book about things that are completely different, written by an adult for children or certain adults. This is a must have for anybody you know who needs help with identifying opposites.

Cute. Trying to teach her opposites. Good for what I want it for.

ÃfÃ Ã Å,Ã â Ã ÃfÃ Ã Å,Ã ÅÃ Ã

Opposites is fun to read for both my two year-old and myself. Not only does it give him an outlet to learn animal names and a have a way to cement concepts such as "high" and "low" and "fast" and "slow," it gives us both an excuse to read in silly voices. Simple enough to be used for learning first words, but fun, too. This one is consistently chosen at bedtime, and it's always a delight to read.
