Customer Reviews

Great easy to follow instructions.

Good directions. Cute ideas!

It was a gift. Not as informative as I thought it would be...and much shorter than I expected...but....?

A children's art booklet aimed at grade school kids. Only 32 pages long, not much content. Will donate it to the local elementary school library

I am glad I have kindle unlimited because if I had paid 10.00 for this "book" I would have been very upset. It has almost no content. I would recommend a serious price decrease or do not buy it.

Too kiddish!
