Jesus Calling: Enjoying Peace In His Presence

Synopsis

Uniquely inspired treasures from heaven for every day of the year by missionary Sarah Young. Jesus Calling is a devotional filled with uniquely inspired treasures from heaven for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. They are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure.

I cannot say enough good about this book. It feeds my soul everyday. It gives the background of the author, which I loved. The scripture at the bottom of the page is already written out for you, you don't have to go searching unless you want to read it in a different version, which is good too. Or if you just WANT to look up the scripture. In the back is an index that shows you different subjects if

you would like to study that way. For instance if you are feeling worried that day or fearful it shows which page and what scripture to look up. And best of all, it's like Jesus is right there in the room with you talking to you PERSONALLY.

Love the book. I gave my last one away and ordered this one but it doesn't have the scripture references typed out like my last one. I am returning it to order one with the full scriptures.

This is much nicer than the original version and has the scriptures quoted instead of just the references. It also has more scriptures than the original. It is sturdy and has the look and feel of quality.

Awesome way God speaks to me every day. The word is alive and God is right beside me. An endless devotional. I've been reading mine for three years now. It has changed my life!

There are not enough words to describe the wealth of help, comfort, wisdom, peace, and strength that is available in this small but powerful devotional. She wrote it as Christ is speaking directly to you. At the bottom is the references of the scriptures that she used and I always look those up to. I keep a journal and it is amazing, even after years of using this, just how much of what is said is truly relevant to what I am experiencing that day. I love it so I have gifted it to many people. The meaning of scripture is not changed at all. Sarah has only rearranged it so that it is a conversation between yourself and Jesus.

I absolutely love this devotional. The first person writing of this devotional is as if Jesus is speaking to me directly. When I read it, it speaks to where I am. So many times, it spoke to directly what I was feeling, thinking or going through and the words blessed me every time! This devotional allows you to go deeper in your relationship with the Lord. Simply respond to what He's speaking (through Sarah) in each daily devotional and watch your relationship with Him flourish. I'll be ordering several additional copies for the women at my church.

This is my 2nd devotional by Sarah Young (I got Jesus Today a few years ago whilst recovering from really ill health and really recommend that too) and this is actually my 2nd cycle (2nd year in a row) doing this 1-year devotional. I'm pretty surprised that I haven't already reviewed it as I finished it last year and immediately started over. Anyway, this review has been wonderful for the last 2

years. It has been an amazing blessing to my life offering me quick daily snippets of encouragement, reminders and perfect words to feed my faith and remind me of what would Jesus do (or rather what would Jesus say). Every single devotion written by the author is backed by several verses that you can memorize and use throughout the day to encourage yourself and others and remind yourself of God's faithfulness even in times when you feel alone or overwhelmed. Every single devotional was easy to understand and read and spoke to a gap or need that each of us encounters in our daily life. God's word truly is relevant and food for the soul even in our modern contemporary times. This is an excellent devotional for anyone who wants to feel closer to Jesus and to learn to rely on Him for all the stresses of modern life. I like this devotional so much that I got it for my brother as well and is be doing a 3rd cycle in a row for 2017 if not that I just discovered that Sarah Young has a new devotional out which I've promptly bought of course and am looking forward to. I may take a break from this devotional for 2017 but it is definitely a keeper to bookmark and refer to for those hard days where we need to surround ourselves with the Grace of Our Lord and reminders of His promises! Get this devotional, it will bless your life!

I lost my son, Adam, 7 months ago tomorrow and this book has given so much hope to just get through each day. After I read my devotion, I decorate the page with doodles, add pictures of my family, and/or how I was blessed that day. I have ordered many Jesus Calling to give to friends that are in need of peace and hope. I must mention that this book was a gift given by a dear friend who lost her husband. When she presented me this book, I was in awe of the cover; like rich leather from time ago.
