Customer Reviews

The guide helped me plan a trip to Florence. It was understandable and gave good ideas for touring, as well as tips on local culture and idiosyncracies.

future trip

I consider Fodor's the best travel guide. It contains all necessary information for a traveler. Correct information on the historical sites, museums and so on. Very nice tips on hotels and restaurants and a very broad information on all aspects for each city or region.

I love the details in this book. Every attraction has details about where it is and how to get there, what's in there, and what are the most important highlights that one can't miss. Great book!
