The Greater Words Of Power: The Secret Calls Of Archangel Magick

Synopsis

When your need is real, speak *The Greater Words of Power*, and you will bring magick to life. The ritual process is deceptively simple, and yet the rewards can be great. This magick uses secret combinations of sacred words that connect you to divine power, through the magick of angels and archangels. *The Greater Words of Power* uses the same method that was presented in Damon Brand's acclaimed *Words of Power*, but this is a standalone book, revealing thirty-one completely new powers. *With Rituals of The Mind* you can obtain mental focus, overcome procrastination, pass exams, increase energy, sleep peacefully, overcome habits and increase the willpower to eat well. *Rituals That Affect Others* give you the power to stop arguments quickly, ensure fair legal decisions, subdue unwanted attention, make people warmer to you, and encourage those who are stuck in their ways to change. *Rituals of Emotion* enable you to encourage new friendship, attract a romantic partner, end a relationship easily, banish fear and worry, improve your mood and the mood of those around you, or recover lost love. *The Rituals of Creativity* will enhance all creative thought, make your creative work well-liked, as well as improving artistic skills and musical ability. *Rituals of Transformation* help you recover your passion, overcome lost love, increase your psychic connection to another, overcome bitterness, jealousy and hatred, and receive angelic guidance. One of the most powerful rituals is *The Road Opener*, to help you discover new pathways and new directions in life. You don't need to fast, pray, cleanse, cast a circle, use a wand or burn incense. This magick is directed by your heart, so you need nothing other than this book and your own desire for change.

Customer Reviews

I previously had success on a few occasions with *Words of Power*, so I was very excited when the *Greater Words of Power* was released. While this may not seem exciting for others, I was praying Damon would include something for sleep. I have struggled with sleep for over 15 years and often feel like crying because of the lack of sleep. Well I am happy to report, I tried the spell for sleep and slept through the night. Thank you Damon.

This is a very good book. I have already used some of the rituals here and they really work. This book is for personal development and inner work without the tedious labor. We will have a better world if more people use the magic rituals here. I highly recommend this. Thank you Damon.

Damon just keeps giving us these wonderful ways to magick in easy and comfortable ways. This book is no exception. From beginners (or the curious) to masters, this book is wonderful to work with and yes...it works!

I found the original *Words of Power* book really effective and so far this book seems just as good. I love these books because the magick is so simple and easy to do and I can honestly say I've found the results pretty satisfying.

Excellent book for masters and beginners alike!

What can I say other than -- this works! Well, I can also say: well written, concise, on point, wonderful presentation of the art, with very valuable information.

I have the first book of power and it's great. I highly recommend this one. I was excited to see this

edition. Thank you so much.

This is another very practical book from Damon Brand. Like Words of Power it works well for me. Just use the simple rituals and see what happens.
