# Chakra Mantra Magick: Tap Into The Magick Of Your Chakras: Mantra Magick Series, Volume 4

## Synopsis

It is said that when one balances his or her chakras, the rest of life falls into place. This is very true, but there is much more than chakra balancing to strive for. Chakras themselves can be a source of energy to create magick. Using chakras for magick makes perfect sense., since spiritual and physical energies travel via the chakras. You are, in essence, your chakras. Everything in the world, whether this world or the spiritual world, communicates with you via your chakras. Everything you have in this life, or don't have for that matter, is a result of your chakras. In this book, we will perform seven rituals, one for every chakra. We are not so much looking to balance or clear our chakras - what we will be doing is using the chakras as magickal vehicles to attain what we desire. Let us proceed.
