Publisher: Rand McNally & Company; 9th edition (May 1, 2008)

Language: English

ISBN-10: 0528866826

ISBN-13: 978-0528866821

Product Dimensions: 11 x 8.6 x 0.7 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.5 out of 5 stars 6 customer reviews

Best Sellers Rank: #1,511,232 in Books (See Top 100 in Books) #4 in [Books > Travel > United States > Missouri > General](#) #27 in [Books > Travel > United States > Missouri > Kansas City](#) #514 in [Books > Travel > United States > Central](#)

## Customer Reviews

This Street Guide to Kansas City, Missouri takes navigation to the next level. Rand McNally Street Guides build on The Thomas Guide™ tradition that customers have come to trust and rely on. Sales people, delivery drivers, dispatchers and other residents are turning to Rand McNally to cross town more quickly. Features include: regular updates to ensure that new streets and points of interest are included; four-color maps for easy viewing; ZIP code boundaries, block numbers, highway exits, overpasses and underpasses shown on detailed maps; latitude and longitude

notations that identify approximate global position; full index for easy location of streets and points of interest; foldout PageFinder™ map for quick and easy location of map pages; Cities and Communities: index to help users easily locate map pages; vicinity maps for overview coverage of surrounding areas; detailed map of downtown areas; consistent map scale from page to page; convenient lay flat special binding.

I needed a good street map to go house-hunting and it works great. Truth is, I really miss the Thomas Guide, but they don't make one for Kansas City. Thomas Guides are the perfect size and have a tough plastic cover. That's the only drawback to this one is that it is big, so it's awkward. Other than that, it works great.

If you have a fair idea of what part of town you are going to the front flap has a grid map with the relevant page numbers. There is an extensive index in the back and the map pages to continue onto another page are marked on all 4 sides of each map. The print and road lines are clearly marked and visible making a quick glance at the page a breeze to find your turn. The only down side is the map can and will fall apart on you after a couple of years of heavy use. I bought one two years ago and am just now getting another due to the pages falling out. I am a local LTL truck driver and I would/could not do my job without this valuable tool.

This KC atlas seems very detailed and is a great help in finding your way around the city and suburbs. The only problem I found was that it's not always easy to find the page you want quickly. They have added map numbers on all four corners of each page, indicating what page to go to next as you progress north, south, east or west. But then you have to thumb through a long ways sometimes to get to the next portion of the map, and you may have already missed your turn! But I can't think of a better solution - maybe just have your pages marked before you set out...

My wife has memory problems as well as other health issues. This street guide is a must in her daily routine.

The map was in perfect shape and it arrived in great shape and a lot faster than I expected. Very happy with everything

very helpful excellent health aide
