Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including an extensive series of maps covering Africa.

A little shoddy and spelling mistakes here and there. I would not trust it for navigation but for general purpose it seems quite ok.

I'd give it a 5 star if it were waterproof but it is not easy to find a map of Niger prior to getting there.
