BIOGRAPHY Growing up in the South, Courtney Whitmore has always loved the art of presenting classic Southern foods with a modern twist and setting a table with lots of pizzazz. She attended Vanderbilt University earning both a bachelors in communications and a masters in organizational leadership. In 2010, she left her full-time job as a career counselor to launch Pizzazzerie.com (pronounced piz.zazze.rie [piz-zaz-zaz-zaz]) to share entertaining inspiration and ideas with readers around the world. When she's not working on her next book, Courtney styles and creates content for publications and brands such as HGTV, Better Homes & Gardens, Target, Coca-Cola, Lindt Chocolate, Yoplait, Pepperidge Farm, Frontgate, and more to connect consumers with their products in an entertaining setting. She is also the author of three cookbooks: Push-Up Pops, Candy Making for Kids, and Frostings. She lives in Nashville, Tennessee, with her husband, daughter (commonly referred to as #babypizzazzerie), and Irish Setter (George).

Absolute perfection! This is an incredibly stunning book. The photos are exquisite and the tablescapes, recipes, tips and ideas are superb. It is even more fabulous in person than it appears in the photos here which seems impossible- it is a real feast for the eyes. It is so comprehensive and is truly a wonderful resource for any hostess or host, for any sized gathering. Courtney is so knowledgeable and creative, paying impeccable attention to details. I am amazed at the variety of themes she highlights in the book and I love that there is also a section with amazing tips for additional themes- she really has thought of everything! Her insight and expertise is evident on

every single page. I can't imagine anyone who would not benefit from and thoroughly enjoy this carefully and beautifully crafted book. What a pleasure to behold! Thank you, Courtney, for this most lovely book.

My copy of Pizzazzerie Entertain in Style is in my living room for my friends to enjoy. Its visual design grabs immediate attention. All have been hooked upon seeing the clever thematic table decorations and the doable recipes even I, a non-confident cook, could do. One friend clapped with joy upon seeing the "Book Club Gathering" idea, and I quickly gave her my extra copy. The "Derby Party" with a horse figurine, surely representing Secretariat, standing in a grassy setting in which a silver urn of roses is centered made me want run around a nearby courtyard as if I were at Churchill Downs wearing a fancy hat. Courtney Whitmore, her mom Phronsie Dial, and the photographer Evin Krehbiel have put their creative hearts and minds into a unique book of wonder and delight. Nancy Brown Richmond, VA
