Book six in the Left Behind: The Kids series, The Underground shares its title with the Young Trib Force's secret school newspaper, preaching the true story of the Rapture and the Tribulation to the left-behind students of Nicolae Carpathia High. Judd, Vicki, Lionel, and Ryan all pitch in to make the paper happen, despite pressure from Carpathia's faculty and even a mysterious, possibly demonic hard drive crash. But with high-tech help from new friends and the aid of prominent journalist and eyewitness to evil Bruce Williams, the growing group manages to deliver The Underground to almost every student in school. Everything's going well until Global Community heavies get involved--and one of the Trib Force members gets caught because she spread the word of God! The Evangelical Christian science fiction series Left Behind: The Kids is a youth-oriented story line

based on Jerry B. Jenkins and Tim LaHaye's bestselling Left Behind. (Ages 9 to 12) --Paul Hughes

Tim LaHaye is an internationally known author, teacher, and expert on Bible prophecy. He is married to Beverly, who is the founder of the largest women's organization in America, Concerned Women for America. The LaHayes live in southern California.

I wanted to see how the kids' books compared to the adult books. The kids' series still contained suspense, but it was toned down from the adult books.

I love all the Left Behind books, including the Kids Books. Very interesting characters and can't wait to read what is coming next. They are very brave and dedicated

;))

6throughoutvery good morning beautiful and after receiving the best way for me to bring it up on your use to make sure that you reading this article was written by the best of the best in your car and really really good at that point on the best way to get to see you tomorrow night and after that trip is a tornado watch it

Absolutely loved them! Can't wait to read the rest. If your read the original adult versions, you will love how they interact with the versions for the younger audience.

I love all these books in the adult & kids' versions! Wonderful reading!

This book of the series was probably the most page turning yet! The bravery of the young people caught up in this story of the end times is awesome!

Good for those who belong to a religion and those who do not. If you do belong to a religion, some of the bible translations were a bit of a stretch to fit the story, so it would be good to talk about with

your kids. I was sure to tell my that it was fiction and had him even look up the rapture in the bible (not there). Otherwise a very good read.
