Customer Reviews

Thought-provoking! Entertaining! Mind blowing! His "Tony Robbins meets Dr.

Phil" style is bold, brash, but right on target if you want to know what it really takes to retire young and retire rich. Dan, you are the man! - Shane Goldberg, CEO of

PhotoshopZoo.com Dan Lok has an extraordinary way of capturing people's attention

through the written word. Dan knows writing and he knows marketing. Most importantly, he is a man who can do exactly what he says he can do, do it exactly when he says he will - and do it with absolute integrity and honesty. If you want to Make It BIG in business, Dan Lok is your man. He has my highest recommendation. - Frank McKinney, 5-Time International Best Seller, The World's Premier Creator of Oceanfront Multi-Million Dollar Estate Homes Dan Lok is, without a doubt, one of the most ingenious and innovative marketers I've ever come across... and one of the few people whose advice I trust. Listen to what he has to say... THIS guy will help you make a Quantum Leap in your business. - Daniel S. Peña, Sr., Founder and Chairman of The Guthrie Group Mr. Peña turned \$820 into a \$400 million market-valued energy company in just 8 years! --This text refers to the Hardcover edition.

Dan, The Man, Lok is a self-made multimillionaire, businessman, and successful investor who never went to business school. In fact, he never even graduated from college. Dan came to North America from Hong Kong when he was only 13 years old, and didn't speak a word of English. He was picked on mercilessly by his classmates and did terrible in school. Then during his teenaged years, he rebelled against his parents & teachers, and almost went to jail for fighting in public. But in a few short years, Dan turned his life around using the strategies in this book. In fact, by using the information in this book, Dan went from working at a grocery store for minimum wage, to living a life that most people can only dream of. In other words, Dan has made his F.U. Money and in this book, he will show you how to make yours, too! Today, Dan does what he wants, when he wants, with whomever he wants for as long as he wants without EVER having to worry about money. And he believes you can do it, too.

I don't normally write product reviews but this book has provided me with so much needed inspiration and answers that I'm compelled to share my satisfaction with this book. Thank you for writing this book, Dan Loki.

too much info ...this book tells you about FU money not how to get it

Wasnt bad but wasnt great either. Dan is doing it though if Internet businesses and going to Dans workshops are your thing this book is for you....

Great book, change your beliefs about money!

So much knowledge to be obtained from this book. Dan holds nothing back in this book and will tell you nothing but %100 truths. My initial investment on this book was \$15. The return on that investment was priceless.

I like that this book is motivational but doesn't address the how even though the author says he does!Overall is a good read!
