Customer Reviews

DAN WILLIS is a full-time author. He is the author of The Dragon Well, the third book in Dragonlance: The New Adventures.

Great series.

nice

Almost anything with Dragonlance's name on it is an excellent read.

I've been reading the Dragonlance New Adventures and loving them, especially DRAGON KNIGHT and Dan Willis's other book DRAGON WELL. His colorful characters and the dangerous adventures

they undertake make these books fun and memorable. I like the character, Mudd, the best of the whole series. Have ever since his mischievous smile first looked out of the pages of DRAGON WELL. So I was delighted to see him back in DRAGON KNIGHT and participating more fully in the plot. This book is definitely better than pudding.

I have been rushing through the series as of late and I can't wait to get to number 8. I am happy with the pace of the books and the ability we have to explore the characters. This book is no exception. It reunites old characters with new ones continuing in a familiar previous vane. I really like the plot twists and turns. The "everything doesn't always turn out rosey" is pretty realistic. I like the way the characters grow also. I find it a good influence on people, youth especially. After having read these, I am considering collecting previous dragonlance series.

Another great book by Dan Willis. He brings to life several new wonderful characters. Each one adds sentiment, comedy, and color to the story in a way that rounds out the plot very well. We also discover new dimensions in Davyn's character that show just how and why he is the hero. The villains are fabulously cynical and loathsome. The whole story is written so well that you want to cheer for the heroes and boo for the villains. A truly enjoyable read. Kudos to Mr. Willis!

I really like Davyn, and everyone else is cool!! The only problem is: Elidor isn't in it!! If you like LOTR, you'll love this
