Many celebrated breakfast dishes are included in the first compilation of recipes from Fog Island Cafe. Some of the tastiest fare is inspired by the island's fresh seafood, so it is not surprising that the Dawsons feature a delicious linguine with Nantucket Bay scallops, fisherman's stew, and Nantucket fish cakes. Catering to current tastes, a number of fine vegetarian entrees and soups are also included in their inviting cookbook. Nantucket also boasts "the world's largest natural cranberry bog," and the cafe's popular cranberry oatmeal cookies are testament to that fact. Alice Joyce

The book arrived in a timely manner and in the condition in which it was presented. Since my association with Nantucket spans many years and I eat at Fog Island Cafe on a regular basis. When this book initially was published I obviously didn't buy a copy. So having this as part of a cookbook collection is a must. Many thanks for providing this copy for me.

I am really happy to have this book and the price was unbeatable. It was a little dirtier than described, but it is a used book.
