Floral Alphabet Coloring Book (Dover Design Coloring Books)

Synopsis

Full-blown dahlias, the amusing burro tail; delicate anemones, and gorgeous irises! Few gardens offer as exotic a variety as does this creative one composed by the noted designer and craft author Leslie Tillett. His delightful coloring book of floral compositions includes 26 separate plates (one for each letter of the alphabet), displaying attractive designs of flowers and plants whose names begin with the letter shown on the plate. Adults as well as youngsters can test themselves to see how many they can recognize. Roses, radishes, and raspberries should offer few problems. Pansies, peas, and poppies should also be easy to spot. On the other hand, items such as Dutchman's breeches, dianthus, frangipani tree, foxglove, guavas, and gooseberries may send some would-be gardeners hurrying to the back of the book where keys identify all plants and flowers included in this unique collection. Colorists of all ages will find *The Floral Alphabet Coloring Book* educational and fun to use.

Customer Reviews

Printed on both sides of the paper which is a real drawback to any coloring book in my opinion.

Even if you put something behind the page you are working on and color very lightly there is going

to be marks on the back of the page which won't make for smooth coloring on that side. Paper quality is just ok, not as good as some other coloring books especially if you use pens when coloring. If you don't care for small areas to color this might not be the book for you either. There are flowers and fruits but as another reviewer mentioned....lots of leaves!

NICE!!

Absolutely beautiful designs!

received my order today books are very nice but all stuck together I'm very DISAPPOINTED BOOKS ARE BEAUTIFUL BUT STUCK TOGETHER ARRIVED THAT WAY I'M VERY UNHAPPY BOOKS RATING 5 STARS. CONDITION. -10

This book has excellent designs to color. I love the detail shown in each of the letters of the alphabet.

So...you get 26 pages double sided and every plant inside each letter starts with that letter, like a for apple, ect. And a nice key at the end. Advanced coloring.

Another great Leslie Tillett coloring book which you can color and then order another one!

Very nice big and bold letters, great and soothing for adult who's hobby is coloring or for any age, very beautiful detail.
