The Ethics Challenge In Public Service: A Problem-Solving Guide

Synopsis

This thoroughly revised and updated third edition of *The Ethics Challenge in Public Service* is the classic ethics text used in public management programs nationwide. The book serves as a valuable resource for public managers who work in a world that presents numerous ethical challenges every day. It is filled with a wealth of practical tools and strategies that public managers can use when making ethical choices in the ambiguous and pressured world of public service. The book also contains new material on topics such as social networking, the use of apology, ethics as applied to public policy, working with elected officials, and more. "The Ethics Challenge in Public Service, now in its third edition, continues to be simply indispensable for teaching public service ethics.

Thoroughly updated to encompass the latest developments in the field, this new edition adds both a companion website and an instructor's website, further enhancing its value for both students and faculty." — Guy B. Adams, Harry S. Truman School of Public Affairs, University of Missouri "If you want to know about ethical decision making in public service, this is the book to read."

— Patricia J. Harned, president, Ethics Resource Center "This book cuts through the rhetoric and the partisanship right to the heart of ethics in the public service; here is a smooth blend of how and why."

— Carole L. Jurkiewicz, Woman's Hospital Distinguished Professor of Healthcare Management, John W. Dupuy Endowed Professor, Louisiana State University

Customer Reviews

Carol W. Lewis is professor emerita of political science at the University of Connecticut. She is a

consultant and trainer for public agencies and professional organizations at the local, regional, state, national, and international levels. Stuart C. Gilman is a consultant in Washington, D.C., working with state and federal government agencies, for large corporations and nonprofit organizations, as well as multinational organizations. He is a former director of the UN Global Programme against Corruption and senior executive with the U.S. Office of Government Ethics.

Great book learning alot, easy read, very informative and i love the case studies.

excellent

Good

I purchase this book as a reference for ethics classes in conjunction with my text, it is keeping me on track with my course.

I like it. It is like brand new, and with good quality. The content is also good as a textbook.

I didn't like thus text at all. I wish my professor choose something else.

Enjoyed the web content (extra material)

Great book for my ethics class.
